***DETAILED ACTION***

1. This action is in response to the amendment filed on March 15, 2006.
2. Claims 1-3 are allowed.

***Reason for Allowance***

3. The following is an examiner's statement of reasons for allowance:

As pointed out by the Applicants in the Remark that the cited prior art (Kaminsky [GB 2326255A] and Scharber [6,542,964]) taken alone or in combination fail to teach, in combination with the other claimed limitations, *"said language including instructions and enabling creation of objects from classes of belonging having hierarchical relations between them, which method includes defining in the local system classes replicating the hierarchy of classes in the remote system and including means of access to said classes in the remote system in order to enable use in the local system of instructions specific to classes defined in the remote system"* as claimed in independent claim 1.

The cited prior art taken alone or in combination fail to teach, in combination with the other claimed limitations, *"wherein the local system includes a "proxy" for each interface and said proxy is defined to enable use in the local system of instructions specific to the interfaces defined in the remote system"* as recited in independent claim 3.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

*Conclusion*

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
